HARYANA@2047: VISIONING WORKSHOP

Working Group: Growth Enablers and Infrastructure Development

Date: 09th February 2024

Venue: Hotel Mountview, Sector 10, Chandigarh

The objective of HARYANA@2047 - VISIONING WORKSHOP is to steer the State towards a preferred and shared future through the strategic foresight approach. The workshop aims to engage participants in a structured exploration of Haryana's current state, historical developments, and potential future changes. Utilizing thematic sessions, the workshop seeks to develop a comprehensive vision that is both informed by past lessons and inspired by future possibilities. The culmination of this collaborative endeavor will be a concrete roadmap, outlining clear strategies and steps to achieve the preferred future for Haryana.
